

EASTSIDE LEGAL ASSISTANCE PROGRAM

“A threat to justice anywhere is a threat to justice everywhere.”

Dr. Martin Luther King

Volunteer Opportunities

Eastside Legal Assistance Program (ELAP) provides legal services to low income people on the Eastside and to survivors of domestic violence from all of King County. There are many low income individuals and families on the Eastside who need legal services cannot afford legal services. There are also many survivors of domestic violence in King County who need legal assistance from an attorney to protect them from the violence which threatens them and often their children. Volunteer attorneys, our staff DV attorney, and our paralegal provide the needed legal services through advice clinics, brief services appointments, workshops, and direct representation.

You can help us provide these much needed legal services by working as a volunteer.
