Volunteer Opportunity ELAP Family Law Clinic Attorney

Do you want to use your legal expertise to assist low-income residents and survivors of domestic violence? Come help make equal access to justice in our community a reality by providing pro bono services for the Eastside Legal Assistance Program (ELAP) bringing civil legal services to low income residents of the Eastside and survivors of domestic violence throughout King County. Since 1989, ELAP has provided residents with a variety of civil case services enabling equal access to justice including, one-on-one legal clinics, unbundled legal services, brief services, limited and full representation, and community education seminars and workshops.

ELAP Family Law Clinics are a part of the ELAP Civil Legal Advice Clinic Program. Your role as an ELAP Family Law Clinic Attorney is to provide legal advice to ELAP clients. All ELAP legal clinic clients are pre-screened for residence, income and civil case matter eligibility by ELAP and if found eligible, matched with an appropriate ELAP program. The day before the clinic date, you will receive the legal clinic schedule, providing the name of the client and a basic description of the legal issue presented. While survivors of domestic violence often present issues falling under the jurisdiction of ELAP Family Law Clinics, all ELAP Civil Legal Advice Clinics serve survivors of domestic violence to assist them through a range of civil legal needs. Translation services are available.
