# Eastside Legal Assistance Program Virtual Breakfast for Justice

## Your Sponsorship Matters:

Your company's sponsorship of Breakfast for Justice will ensure that ELAP is able to continue to provide free civil legal services in communities throughout King County. Commitment from our corporate partners is more important than ever as we strive to meet the community's evolving needs this year.

**Commitment requested by Sept. 1.**

## ELAP's Community Impact:

Everyone should have access to legal help. We are a nonprofit dedicated to working with people facing domestic violence, housing, financial, healthcare, immigration and other issues that need a legal solution. We also educate communities about their legal rights. We work for free to solve legal issues and provide resources for our community members because not everyone can afford a lawyer.

- We educate communities about their legal rights.
- We remove legal barriers that impact people's health.
- We empower domestic violence survivors and their families to stay safe.
- We support victims of crime navigate the legal system.
- We protect people facing eviction so they can stay in their homes.
- We give advice to people who are being harassed by debt collection agencies.
- We advocate for immigrants, regardless of their citizenship status.
